In para 3 of the notice it is stated that the heap was ordered to be set on fire by Captain C. Bowen the Brigade Transport Officer the loss was thereby Caused by the British Military Officer

Dear Sir,

Under instructions received from my client Patel Munivenkatappa Son of Munivanje Gowda — residing in Goor Hoskur Village, Hoskote Taluk, I hereby give you notice of suit under Sech 80 of the Code of Civil procedure.

It is represented to me by my client above named as follows:-

I That the Military had encamped near Hoskur and Nimbakayapur villages in Hoskote Taluk in the early part of January 1927

II That my client had heaped the manure belonging to him in his own land in Nimbakayapur village where also the Military had encamped.

III That on 10/1/1927, the manure heap referred to above and belonging to my client was ordered to be set on fire by Captain C. Bowers, the Brigade Transport officer on duty, on representation of my client who was on the

spot was of no avail and he was not given reasonable opportunity or any opportunity to remove the manure heap

II My client immediately approached Mr. Bowen, the civil officer on duty who was pleased to go to the spot with my client and witness the manure heap which had been set fire to at that time. My client duly made a written ~~request~~ application on 11/1/27, claiming compensation for Rs. 1000/-

III As no orders were passed on his application, he filed a remunderpetetion to the Civil officer on 17/2/27. Thereupon after reference to Captain Bowen my client has been given an endorsement to the effect that the manure in question now was "Horse Manure" belonging to the Military and as such no compensation could be awarded

IV My client submits that the contention of the Military that the manure belongs to them is not tenable and my client submits he is prepared to prove that the manure was his; and he is entitled to compensation for the loss sustained by him

Under the above circumstances my client will be obliged to file a suit for compensation against the Government of Mysore in a sum of Rs 1000/- in respect of

Letter No. C. 10/27-28 dated the 1/3rd August 1927 from the Civil Officer, Bangalore District to the Deputy Commissioner, Bangalore District.

With reference to your No. B5-346/27-28 forwarding a copy of a notice received from Mr. B. Venkatesa Rao, Advocate on behalf of patel Munivenkatappa of Hoskur village regarding certain loss caused to him by the Military camping on his field on 10th January 1927, I have the honor to state that the whole Bangalore Brigade were camping at Hoskur village for field firing and manoevers from the 10th January 1927 to 19th January 1927 during which period I was also present at the Camp as Civil Officer. Patel Munivenkatappa who alleges that his manure heap was ordered to be burnt by Capt. Bowen on 10th January 1927 did not bring the matter to my notice at once to enable me to inspect the spot and fix the compensation along with the compensation officer Major Nairne. On the 11th January 1927 he presented a petition to me, which is enclosed, on which, I inspected the spot. It did not appear to me as if 50 carts of manure were stored there. There were no traces of cattle manure but only mule manure which was burning. The petitioner was informed on the spot no compensation could be given him. On 26th February 1927 I received another petition from Patel Munivenkatappa with reference to the same claim. This petition was forwarded to Capt. Bowen the officer who is alleged to have ordered the manure to be burnt and his reply is enclosed in the records. The petitioner's duty if he had stored manure at all was to have removed the manure from the camping ground before the Transport Corps had come or as I have stated above brought the matter to my notice immediately on 10th January 1927 which he has not done. Having no proof that he had really stored manure on the spot as alleged compensation could not be awarded. The notice, two petitions presented to me etc., are enclosed.
